DOWNING PITCHES AIR-TIGHT  
BALL UP TO THE FINAL  
INNING.

Conway easily defeated Greenbrier yesterday in the second and final game of the series, 3 to 1. Downing, on the mound for the home team, had the Greenbrier sluggers under his thumb until the ninth, when a rally produced the visitors' only score. T. Moore opened the inning with a single through third, C. Moore and Cato flied out, and then both Cantrell and McCall singled, advancing Moore to third. Downing then issued his only pass during the game and Moore was forced in. Wofford, next up, was a victim by the strike-out route.

Conway annexed two in the opener. J. Legg doubled to center, D. Legg was safe when Cantrell dropped Browning's throw on his easy ground-er, J. Legg scored and D. Legg advanced to third on Bentley's drive to third. D. Legg then scored on Stien's sacrifice. Peel scored the third run for Conway in the fourth, when he doubled, advanced to third on Wofford's error and scored on Downing's double to right.

The score: R H E

SANITARY INDIVIDUAL  
DRINKING CUPS

The State Board of Health, acting under a new law, has issued orders prohibiting the use of common drinking cups in stores, offices, hotels, schools or any place except private homes. The penalty for violations of this order is a fine of from \$10 to \$100, and county and city health officers are instructed to see that it is enforced.

We are prepared to furnish Sanitary Individual Drinking Cups, made of a special and sterilized paper. With your card printed on them, they will prove a valuable advertising medium.

They cost no more than ordinary dodgers—so cheap that no business man can afford to do without them.

Call or phone and we will be glad to show them to you.
